

## **“Reaching Up” - A Community Mentoring Project**

**Welwyn Hatfield Ethnic Minority Group** is developing a **Pilot Community Mentoring Project for Black and Minority Ethnic young people in local schools.**

Mentoring is a fantastic opportunity for a young person to receive personal support and guidance to achieve whatever they want to achieve. It is also an opportunity for the adult mentor to receive training, develop their own skills and contribute to a very worthwhile community activity.

We are seeking to recruit members of the community in the Welwyn Hatfield area who would like to train to become mentors to young people.

**If you would like to become a mentor or to find out more about the project, please contact:**
